

2020 June Holiday Bootcamp

GCE 'A' Level JC1/JC2 Economics H1

The primary objective of the June bootcamp is to prepare the JC1 and JC2 students for their mid-year examinations after the June holidays. Structured in a modular format, students can pick and choose the topics which they are going to be tested for, or the areas which they are still weak in.

Each 5-hour topical module will include revision of key concepts as well as CSQ skills.
